

# QB Networks & Masscollabs Services & PSD

Contribution to the Free Software for the Free Society

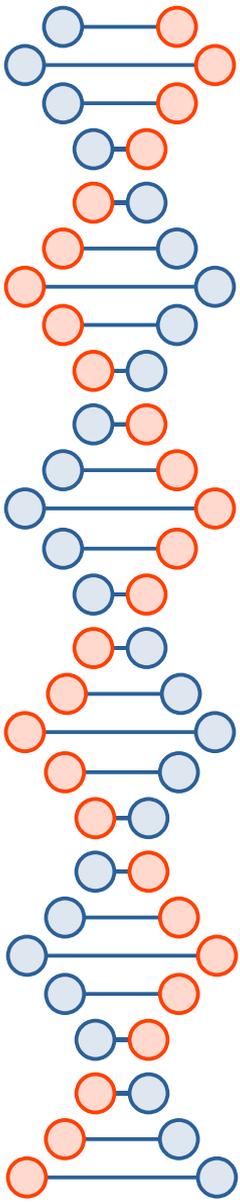

# QB Networks & Masscollabs Services & PSD

- Free Software Foundation's Free Software Directory
- Free Software Trainings for the public
- Sharing information in community

# QB Networks & Masscollabs Services & PSD

- Our strategy is to empower all software developers to make their own businesses for helping society to develop and become a healthy organization
- For this reason we provide training sessions
- We make R&D
- We give technical support
